Retreat Focus

The theme for our Fall Singles Retreat will be "Fireproofing your Relationships": (personal, professional, and spiritual relationships)

We will kickoff the discussion of this topic Friday night through the presentation of the movie, "Fireproof". This movie demonstrates the commitment required to make relationships healthy.

Unlike the movie, we will not concentrate on the relationship of marriage. Instead, we will look at other relationships such as those with family, friends, children, and most importantly with God.

Discussion on how to strengthen our relationships and how to make them "fireproof" will be facilitated by Rev. David Hollis during two sessions on Saturday. Rev. Hollis will also present a devotional at a communion service Saturday night then tie everything together in his Sunday morning sermon.

With delicious shared meals, lovely scenery, smile-inducing activities, meaningful worship and joyous fellowship with other singles, the weekend will be great. Don't miss being a part of our winning Methodist Conference Single Adult Ministry Team as we celebrate victorious living in Jesus Christ.

Rev. Hollis is musically talented. In addition to leading our worship services and sessions, he will also be leading the music.

Our retreats have included singles ranging in age from 25 to 85. We've had participants from various single statuses: divorced, widowed, and individuals that have never married. We are sponsored by the United Methodist Church; however, we welcome all denominations.
